

Iron Caddy Tote

Materials:

Pattern

Cut the following to 19½" x 25½"

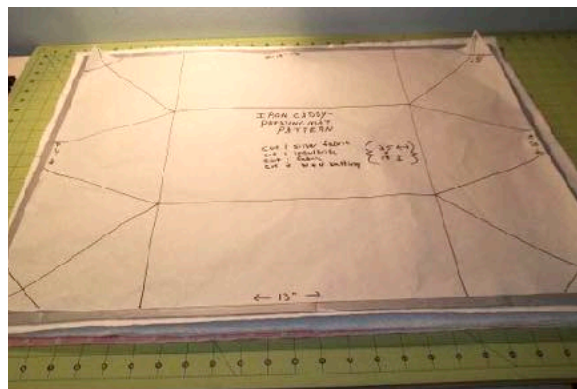

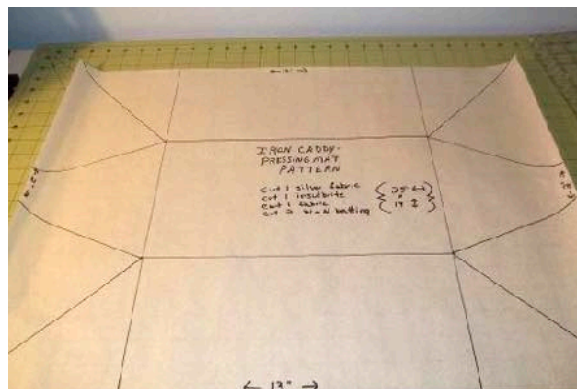

- *1 of Fabric
- *1 of **Insulbrite**
- *1 of Silver Ironing Board Fabric
- *2 of Batting

Contrast Fabric for binding and straps

Elastic — 2 pieces that are ¼" wide x 4" long

Instructions:

1. Make two copies of the pattern, one for a master and one for cutting. Cut fabric, batting and silver ironing board fabric.
2. Layer as follows:
 - * Fabric face down
 - * Batting (both pieces)
 - * **Insulbrite**
 - * Silver ironing board fabric face up
3. Place pattern on top of ironing board fabric and, using walking foot, stitch on lines over pattern (or use a pattern tracing wheel if you have one). Tear the pattern off. Square fabric up to 19"x25" — if it ends up a bit smaller, no worries.
4. Make the straps: Cut two pieces of contrast fabric 4"x21". Iron and fold each strap over 1" lengthwise, press. Fold over 1" on OTHER lengthwise side, press. Cut two pieces of batting 1"x21" and place in straps as shown in photo. Top-stitch straps.

5. Find center of long side of tote and place straps on each side with 6" between ends.

5

6. Cut the corners 1½" in from corner. Tack down elastic strips as shown in photo on the opposite corners of caddy.

6

7. Sew on binding. Sew button down on opposite side of tote as elastic. See photo for reference.
